

Insurance Gala 2009

On Saturday, May 2nd 2009, 400 guests took a “Walk on the Wild Side” at the 15th Annual Starlight Insurance Gala held at the Carlu. This year’s event was a huge success with over \$150,000 raised in support of making a difference in the lives of seriously ill and hospitalized children. Guests had a roaring good time as they dined on a sumptuous dinner, enjoyed a Live and Silent Auction and danced the night away.

On behalf of the Starlight Children’s Foundation and the Gala Committee, we would like to take this opportunity to thank our sponsors, donors, and dedicated volunteers for making this year’s Starlight Insurance Gala truly memorable.
