On Wednesday, December 17, 2008 the children and families of Starlight will climb 30,000 feet to find Santa at the North Pole. The children will fly non-stop round-trip to the "North Pole," in search of Santa and his reindeer.

*Brightening  
the lives  
of seriously  
ill children  
and their  
families*

Families will arrive at Park' N Fly located at 5815 Airport Road at noon on this day. The children will then be shuttled over to the Skyservice Business Aviation FBO: 6120 Midfield Road, Mississauga, ON L5P 1B1. Once the families arrive, Doo Doo the Clown, Markus from Treehouse Live, and five amazing mascots (Starry, Barney, Bob the Builder, Angelina Ballerina and Toopy and Binoo) will entertain the children until it's time to board the plane in search for the red suited man. Barney from Treehouse live will be celebrating 20 years of entertaining children and their families. Come join us for the contagious smiles that will be growing!

The Starlight Starbright Children's Foundation is a non-profit organization dedicated to brightening the lives of seriously ill children and their families by providing a broad array of both in-hospital and out patient programs designed to enhance their ability to cope with the stress of illness.
