#### **About Starlight**

Starlight Children's Foundation® Canada has been dedicated to brightening the lives of seriously ill children and their families for over 30 years. Focusing on the family as a whole, our mission is to bring joy, laughter, relief and a whole lot of smiles with a little bit of our magic stardust. Our large variety of programs help bring back some strength, hope and lost childhood by being that reliable and shining star in a dark and stormy sky.

*What makes Starlight unique is that we are there for the entire journey — from hospital to home.*

While in-hospital, Starlight gives kids a much-needed distraction from the stress and boredom of hospitalization. From toys to the latest technology to full-blown parties, we replace that fear and loneliness with fun and excitement! While out-of-hospital, we're granting wishes of all sizes with our Day Brightener Wishes, Great Escapes™ Wishes and Once in a Lifetime Wishes programs to make sure Starlight families always have a reason to believe in magic.

#### **Starlight Tea & Tiaras Committee**

Starlight Children's Foundation's 7<sup>th</sup> Annual Tea & Tiaras Event is an inspiring and moving afternoon that will be returning to Toronto this summer.

Now in its seventh year, "Tea & Tiaras" is an elegant afternoon tea event that raises awareness and funds in support of Starlight Children's Foundation Canada. Please join us for this decadent gathering and experience an authentic high tea service and glamorous fashion show all while supporting seriously ill children and their families.

The Starlight Tea & Tiaras Fundraising Committee includes an Event Chair, Starlight Staff, and a group of committed volunteers who band together to make this event come to life. This is where we need your help ... we couldn't do it year after year without the help of people like you.

We are looking for committed, available and passionate individuals who are self-starters and able to attend regular meetings. *The primary role of the committee is to source prizes for the raffle and silent auction and sell tickets/tables/sponsorship through personal and professional networks.*
